

# Summer Reading Log

Name: \_\_\_\_\_ Grade in the Fall: \_\_\_\_\_

**Set a Goal!** How many books/articles do you plan to read this summer? If you read the required amount you will receive a gift certificate for a free book from the Fall Scholastic Book Fair. In addition, your name will be entered for a **\$25.00** gift card to Barnes & Noble. **Four (4) gift cards will be awarded.**

**Required amount for Grades Kindergarten – 4<sup>th</sup> Grade (15 books/Articles), 5<sup>th</sup> – 6<sup>th</sup> Grade (10 Books/Articles).**

(don't forget to read books from TumbleBooks and TumbleBooksCloud - found on my Wiki)

**Parents/Guardians:** Research has shown that students who do not read over the summer can lose one to three months of progress in reading. Students who do read over the summer and have involved parental support with reading can actually gain achievement in reading. Set a reading time everyday and enjoy some summer reading together.

For the second year, students can join the **Scholastics Summer Reading Challenge**. They can log their reading minutes and receive cool virtual prizes. In addition, their minutes will go towards **Read for the World Record**. The 20 schools with the most minutes will be featured in the 2014 Scholastic Book of World Records. The Link can be found on the Elementary Library Wiki. Each student will have their own username and password given to them prior to the end of school. If your child forgets it, please e-mail me at [jglidden@scschools.org](mailto:jglidden@scschools.org)

**Please note:** Book lists, article links and additional forms can be found on the Elementary Library Wiki in *Summer Reading*.  
<http://suskyelemlibrary.wikispaces.com/> In addition, all books read for the Summer Reading Challenge can be included on this log.
